## WHO WE ARE

Douglas County Community Foundation (DCCF) is committed to responsibly managing philanthropic contributions, maintaining agile funds for emergencies, inspiring generosity, and providing support to local nonprofit organizations serving the needs within our community.

We serve Douglas County in four distinct areas:

### **NONPROFIT ORGANIZATIONS**

DCCF provides Douglas County nonprofits with an opportunity to receive a variety of financial grants.

### **CORPORATE PARTNERS**

DCCF is the force multiplier in philanthropic endeavors, simplifying, maximizing and recognizing the contributions of our corporate partners.

### **INDIVIDUAL DONORS**

DCCF provides expertise and guidance in connecting donor passions with giving, making it easy, effective and enduring. DCCF is also the regional champion for Colorado Gives Day and the "give where you live" Douglas Gives campaign.

### **COMMUNITY EMERGENCY RELIEF FUND**

DCCF maintains an agile financial fund dedicated to assisting vetted local nonprofits with financial support in the event of a Douglas County community emergency.
